

March 22, 2017

Dear District 5 Kin;

I am writing you for inclusion at your Spring Zone.
We hope you have a good day of learning with your Deputy Governor and fellow Kin.

Just wanted to remind you of your foundation. The Kinsmen Foundation of BC, that you have supported since 1952!

The 65 years of service you have provided to your fellow citizens in BC and Yukon with disabilities is not matched by any other charity.

Our continued partnership with Technology for Independent living (TIL), has also partnered with BC Rehab for the Door opening program called "opening doors to Independence" This was a joint funded project with BCITS through the golf tournament which raised \$ 25,000 a year.

We have now embarked on a new Golf Tournament for the Foundation, proceeds will still support TIL, but it will now be OUR Tournament lead by Board member John Meneghello, Life Member of Coquitlam.

We hope this will now raise funds in excess of \$ 35,000 and help add funds to the Legacy reserve.

We challenge you to Join your fellow KIN come one, come all and be a sponsor of holes and Golf that day.

Mark July 12, 2018 on your Calendar and Join us at Redwoods Golf Course in Langley. Check out the "Kin Klassic golf Tournament "on the Foundation home page www.kinsmenfoundationofbc.ca

Kind Regards;
